VOLUME 1

Thank You
for Your Support!

To show our appreciation, we've prepared these 225 Bonus Puzzles for you.

*We've added a number of **quotes that were too long** to put in the print version of the book.*

Some of our readers really enjoy these longer quotes, so we decided to include them in this bonus collection.

As always, 4 hints as well as full solutions are in the back. Good luck and please enjoy!
